

NETMOTION[®] **WIRELESS**

8059 - Net Motion Wireless - Demos - StoryBoards - MOBILITY ver32

Mobile deployments

ACTION: Zoom Out revealing cloud into frame 2.

have graduated

ACTION: Zoom into phone frame 3.

from isolated teams

ACTION: Isolated team appears in phone. Then pan camera right and zoom out revealing next frame.

to entire companies.

ACTION: Zoom into building.

ACTION: Zoom out into next frame.

Organizations are making huge investments

ACTION: Pan Right. Building exits frame left.

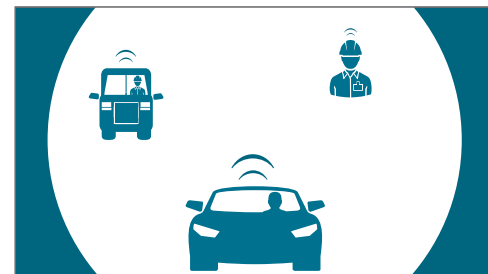

in mobile technology,

ACTION: Money continues to flow in and out of frame. Radio waves of cell tower slightly pulse.

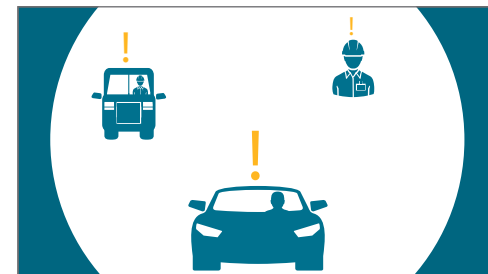

but if they can't deliver

ACTION: Money completely exits frame leaving solo cell tower.

a positive experience for

ACTION:

mobile workers,

ACTION:

everyone

ACTION:

loses.

ACTION:

If employees won't use

ACTION:

the technology,

ACTION:

it becomes

ACTION:

a huge

ACTION:

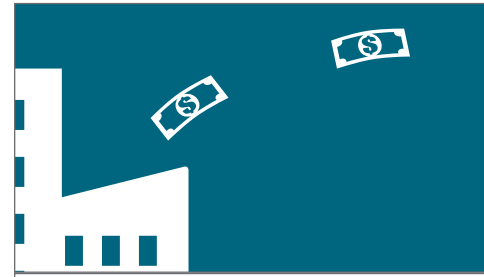

waste

ACTION:

of time

ACTION:

and

ACTION: Flaming Dollars

money.

ACTION: Flaming Dollars

ACTION:

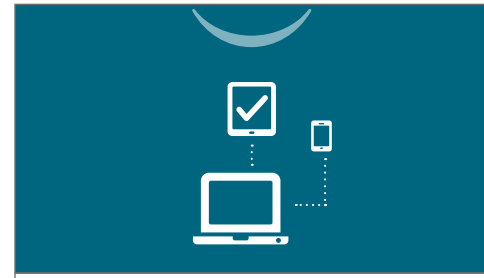

But how do you ensure

ACTION:

your mobile applications

ACTION:

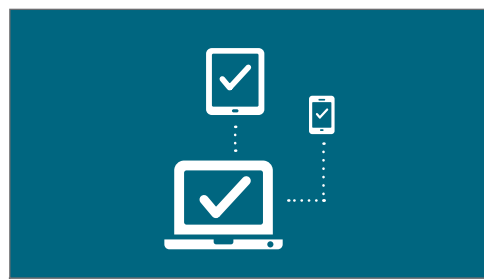

will work

ACTION:

quickly and

ACTION:

reliably

ACTION:

ACTION:

so that workers won't get

ACTION:

frustrated?

ACTION:

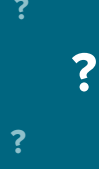

ACTION:

How do you

ACTION:

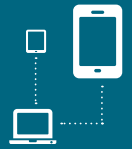

get visibility

ACTION:

into

ACTION:

how devices,

ACTION:

ACTION:

networks

ACTION:

and applications

ACTION:

are actually

ACTION:

being used

ACTION:

out in

ACTION:

the field?

ACTION:

ACTION:

ACTION:

How

ACTION:

can

ACTION:

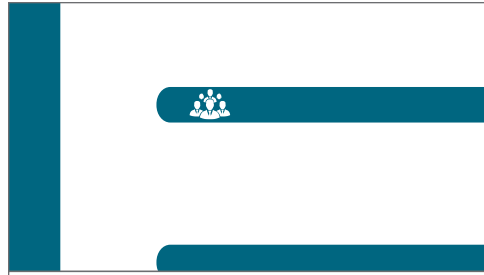

you

ACTION:

secure

ACTION:

corporate information

ACTION:

so that your network

ACTION:

and

ACTION: Flip to building

company

ACTION:

aren't

ACTION:

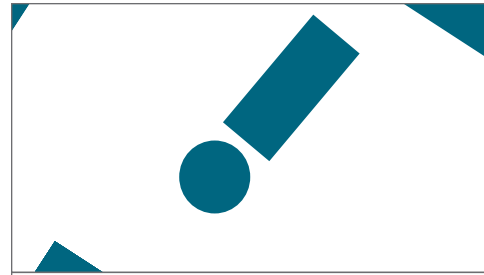

at

ACTION:

ACTION:

ACTION:

risk!

ACTION:

ACTION:

ACTION:

More

ACTION:

than

ACTION:

one

ACTION:

1,000,099

million users

ACTION:

1,000,238

are now

ACTION:

1,000,444

benefitting

ACTION:

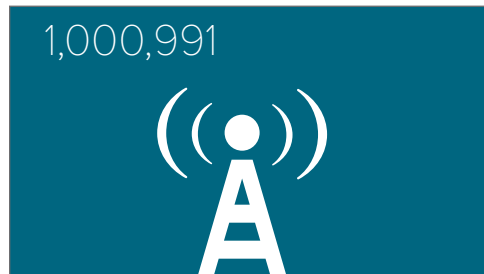

1,000,678

from

ACTION:

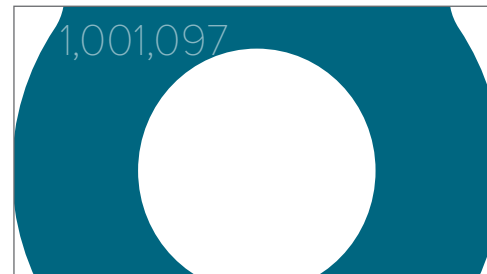

1,000,991

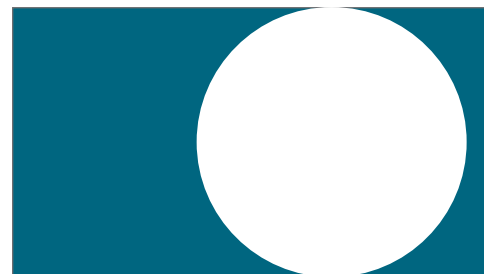

the Connectivity . . .

ACTION:

1,001,097

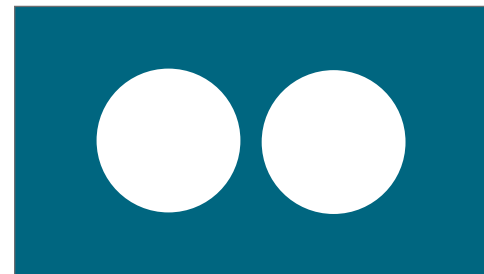

ACTION:

Visibility . . .

ACTION:

and Control you get with

ACTION:

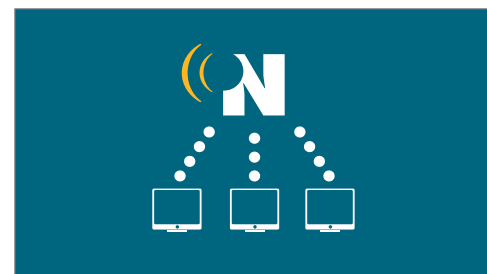

Enterprise Mobility

ACTION:

Management software

ACTION:

from NetMotion Wireless.

ACTION:

At the heart of

ACTION:

this solution is NetMotion's

ACTION:

Mobility...

ACTION:

the central

ACTION:

control point

ACTION:

for

ACTION:

securing,

ACTION:

ACTION:

managing

ACTION:

and optimizing

ACTION:

mobile

ACTION:

deployments.

ACTION:

ACTION: Beat...

Mobility creates

ACTION:
Animated waves

a secure,

ACTION:
Animated waves

ACTION: Period
Animated waves

reliable,

ACTION:
Animated waves

ACTION: Period
Animated waves

network

ACTION: Period
Animated waves

connection

ACTION:
Animated waves

ACTION: secure. reliable. network. (fade-out)
Animated waves

that

ACTION: Devices (fade and/or slide) into frame.

supports efficient

ACTION: Animation of air-dots pulsing

mobile application delivery,

ACTION: Air-dots (animated) pulsing

regardless of the

ACTION:

applications.

ACTION:

It

ACTION:

allows

ACTION: IT manager moves center

IT managers to monitor and manage

ACTION:

their mobile employee's experience,

ACTION:

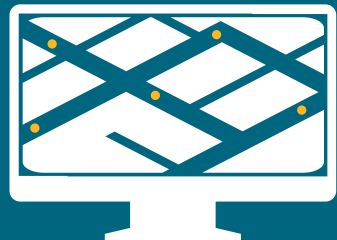

ACTION:

keeping them productive.

ACTION: Animate lines creating movement.

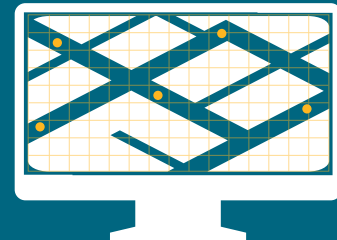

With one click,

ACTION:

you can see all your mobile users

ACTION:

who are connected to your network.

ACTION:

Then quickly drill-down

ACTION:

to see detailed information like:

ACTION:

what applications they are running...

ACTION:

what

ACTION:

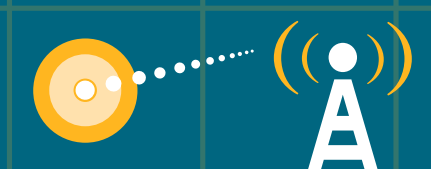

network they're using...

ACTION:

How much data they're sending and receiving . . .

ACTION:

even their

ACTION: Battery (rotates top to front) revealing battery

battery

ACTION:

power,

ACTION:

and

ACTION:

a whole

ACTION:

lot

ACTION:

more.

ACTION: Animate little "shimmer" in smile

IT managers

or help desk technicians

can see what mobile workers are doing

ACTION:

and maintain control by

ACTION:

applying customized policies like: reserving bandwidth for key applications . . .

ACTION:

prioritizing the applications being used . . .

ACTION: FIX

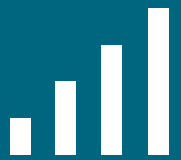

and blocking applications that pose risks.

ACTION:

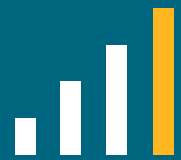

ACTION:

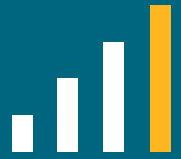

For example, if you see an abnormal spike

ACTION:

in network usage, you can quickly identify

ACTION:

whether that usage is legitimate,

ACTION:

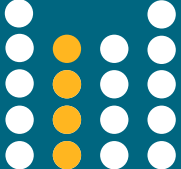

or if it's workers streaming music or videos.

ACTION:

With Mobility, you can quickly set up a policy

ACTION:

to block unauthorized applications,

ACTION:

MOBILITY

ensuring your workers have the bandwidth they need

ACTION:

to access mission

ACTION:

critical applications.

ACTION:

ACTION:

Mobility's

ACTION:

real-time reporting

ACTION:

helps you

ACTION:

make informed

ACTION:

business

ACTION:

decisions.

ACTION:

ACTION:

With Analytics,

ACTION:

you can run reports

ACTION:

on a variety of conditions

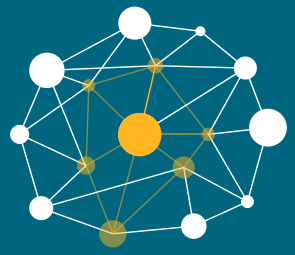

ACTION:

and

ACTION:

activities, including

ACTION:

network usage

ACTION:

ACTION:

and

ACTION:

ACTION:

ACTION:

data

ACTION:

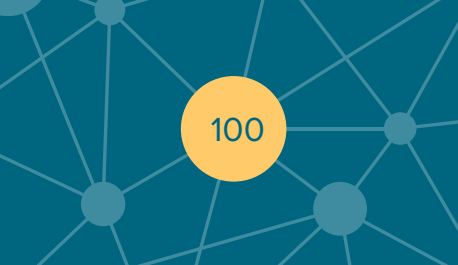

ACTION:

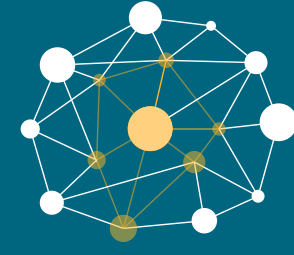

compression.

ACTION:

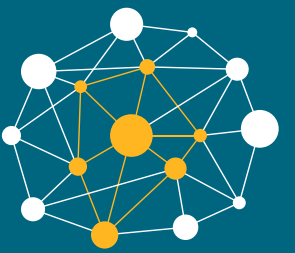

Mobility

ACTION:

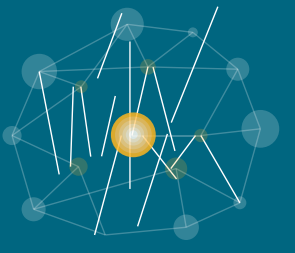

also creates

ACTION:

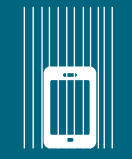

a faster network

ACTION:

by

ACTION: Flash of compression. Network lines compress and align in a vertical pattern.

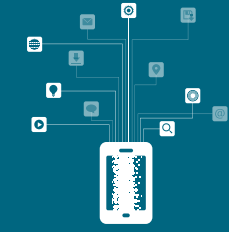

compressing

ACTION: Vertical lines compressing

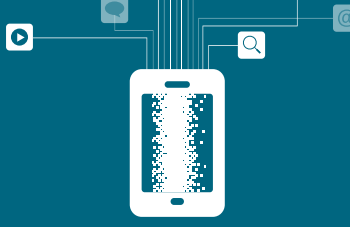

images,

ACTION:

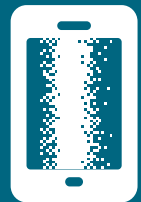

data

ACTION:

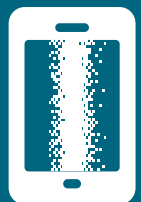

and traffic shaping;

ACTION:

improving network performance

ACTION:

while decreasing data usage

ACTION:

on expensive

ACTION:

monthly

ACTION:

service plans.

ACTION:

ACTION:

In over

ACTION:

12 years,

ACTION:

over 1

ACTION:

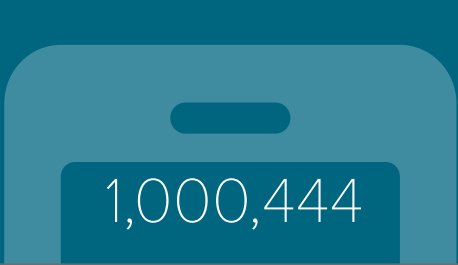

million users

ACTION:

have turned

ACTION:

to our product suite

ACTION:

to manage their

ACTION:

mobile deployments –

ACTION:

ACTION:

For example...

ACTION:

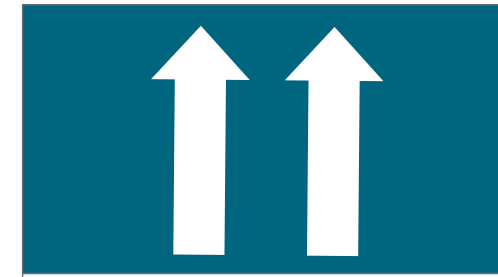

a major

ACTION:

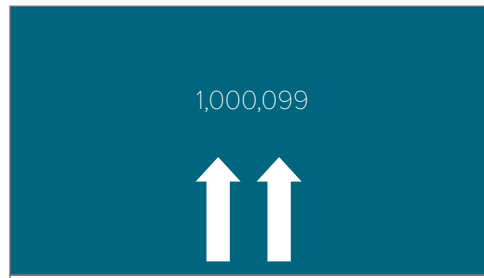

distribution

ACTION:

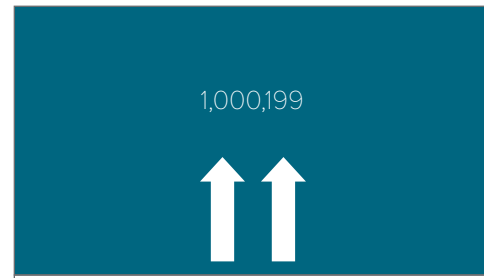

company

ACTION:

recouped 1.1

ACTION:

million

ACTION:

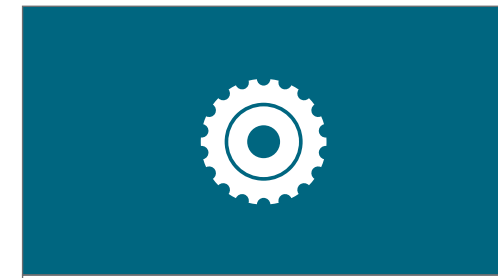

productive hours

ACTION:

by keeping workers consistently connected

ACTION:

and

ACTION:

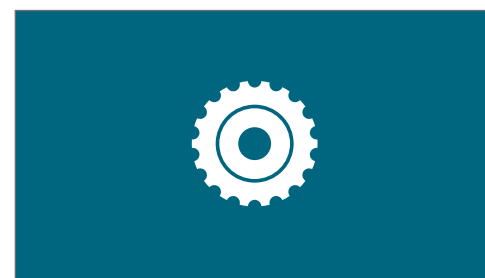

productive . . .

ACTION:

ACTION:

. . . a public

ACTION:

safety

ACTION:

agency

ACTION:

eliminated

ACTION:

up to 30

ACTION:

support calls a day

ACTION:

because mobility

ACTION:

kept officers

ACTION:

connected . . .

ACTION:

ACTION:

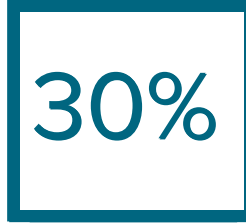

a

ACTION:

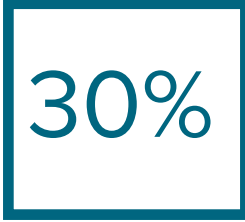

major utility

ACTION:

saw a 30%

ACTION:

increase in daily

ACTION:

productivity for its field workers,

ACTION:

more service

ACTION:

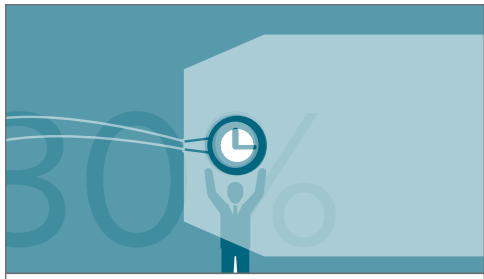

calls completed,

ACTION:

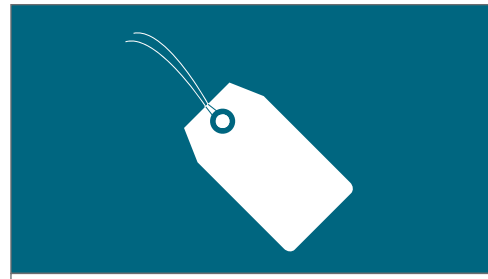

and

ACTION:

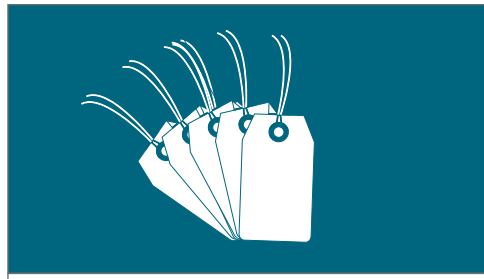

more

ACTION:

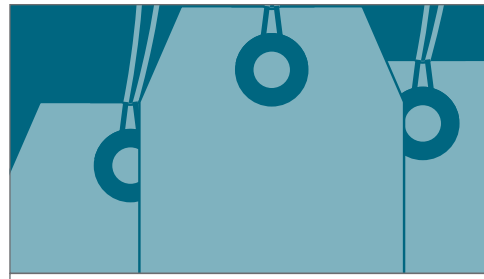

trouble tickets

ACTION:

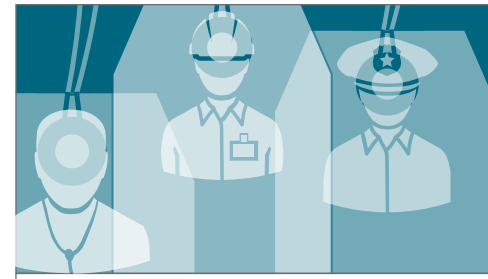

resolved.

ACTION:

ACTION:

This is

ACTION:

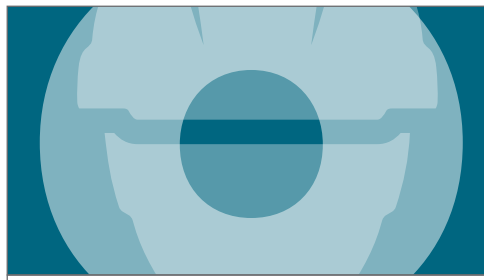

why customers

ACTION:

have

ACTION:

come to

ACTION:

rely on

ACTION:

NetMotion

ACTION:

Mobility . . .

ACTION:

and why they love it.
